Re: Add Data Promo for 2007

Dear Mr. Terreni:

In accordance with provisions in the United Telephone Company of the Carolinas General Subscriber Services Tariff, Section U2.7, Special Promotions, this is to inform you of the Company's plan to extend the promotional campaign scheduled from February 15, 2007 through May 15, 2007. The Company desires to extend the promotional campaign through and including June 15, 2007. The name of this promotion is Add Data Promo for 2007.

During the period, new and existing business customers who are contacted by the Company or who contact the Company and request this promotion may be eligible for a one-time bill credit when they subscribe to one or more of the following qualifying services: ISDN-BRI, ISDN-PRI, Enhanced Frame Relay, ATM, Digilink, Translink, Lightlink, and Individual Voice Channels for Custom Access Solutions. To be eligible, customers must establish a new account or add to an existing account and order a qualifying service(s), with a resulting monthly spend of \$300 or more. Charges for all regulated and non-regulated services (excluding taxes, surcharges and other fees) contribute towards the monthly spend. The bill credit will be issued for the first month's charges for each qualified service added to the customer's account under this promotion.

There is no limit to the number of qualifying services that a customer can subscribe to under this promotion, nor is there a limit to the number of times a customer can order additional qualifying services and qualify for the bill credit during the promotional period.

The first month's service for which credit will be issued will count as the first month of service under the minimum service period or term commitment period. If a customer discontinues service for which credit was issued prior to the end of required service period, credits issued under this promotion will not be rescinded; however, customers who discontinue service prior to the end of the minimum service or term commitment period are responsible for the termination liability charges normally applicable for that service.

The Company will also issue a bill credit for business Key Trunks and PBX Trunks when new customers who subscribe to one of the qualifying services listed above also subscribe to business Key and/or PBX trunks on the same order, provided that the total monthly spend for all of the services ordered is at least \$300 per month.
